I am totally cool bringing fruit or desert. Let's talk tonight! Can hardly wait! Going into the city 5 days in a row sucks! I really like my 4 in and 1 out deal. But JE is here all day. He has wheels up to his island at 6pm so I doubt he tells me I can go early. Bummer. The train station will be a zoo tonight due to Memorial Day wkend.

Yes, to play date with [REDACTED] today if no soccer(which I doubt soccer will happen-too wet).

Tomorrow rain all day. I am thinking the movie Epic ..or bowling. I need to buy [REDACTED] clothes also. He needs shorts and tshirts.
