ah, ok...we take video with our cell phones all the time, but this BB game was on our real little digital camcorder...I don't know how much it was, but less than \$2k for sure. it is nice however.

Not critical.... I was just wondering if you were shooting video with your still camera, your phone, or with a dedicated camcorder. For example, the attached clip was phone... not our \$2K Canon Camcorder.

They won 30 to 18~! I asked [REDACTED] yesterday...and I have been told I should show the score board from time to time...hey, I never said I was great at being a videographer!

If we come 2nd week of August, Aug. 7-11, will you still be around? [REDACTED] spring break has dwindled to 2 days only due to all the snow days we have had...we will not be traveling in April to TX!

Very cute! Yes, [REDACTED]s #4. I watched all the videos – there was only one score? (unless I missed something). What was the final score?

Go to You Tube and type in [REDACTED]...you can watch [REDACTED] and his teammates win the New Canaan Basketball Championship! [REDACTED] and

his friend, [REDACTED] #8, are both 2nd graders and played up with the 3rd and 4th grader team! They both held their own and did really well!

Very proud of them!! Love, [REDACTED]
