Subject: Re: Sushi from Atlantic Grill for 1pm lunch today

I placed this order (reduced it a bit) ...It will be ready in 20 minutes.

I ordered:

x5 pieces (sashimi) Salmon, yellowtail, tuna (They do not have white tuna)
x1 pieces (sushi) shrimp, eel
x2 rolls: miso glazed sea bass, tempura shrimp & spicy hamachi, fiery lobster roll
x3 California roll

They do not carry edamame. I think that should be sufficient, but if when you get there you think you need to add on more, please do so! thanks so much for your help. I will let JE know you need to pick up the food!
