yep. i know. don't know why it was not in there. I really think there is enough padding in other places that we will be able to get money for that we don't spend in those areas...which will help cover the costs of things that are wrong, completely missed, etc. At least I really hope so! I know he is off on appliances...he has \$25,000. That will not be enough. The fridge we want is \$10,000. BUT, for the kitchen he has \$85,000 ...I don't know how much a kitchen costs, but hopefully, not that much and we will have money there for appliances.

Another expense not in the budget that we need to cover. The bank will not be giving us any money on this fyi.
