Thanks Lesley,
Maybe it would be best if we wait until I have dates. I'll get back to you when I know when and IF they are bringing their kids.

Thanks.

Enjoy your weekend.

Hi Irene...Ty has been having a ball sledding! He hopes the snow sticks around on the hill at waveny next week so he can go sledding some more for winter break :)

Hmmm, DAY babysitters are not so easy unfortunately. All the girls I use on the weekends have day jobs...I just asked Kate, who is my favorite, and she said she can ask around to see if anyone might be available. Another thought, my nanny, Gloryana, has her mom here from Costa Rica. She is very nice and cleans my friends house on Thursdays, but not really sure what she does all the other days. Thing is, she doesn't speak much English at all...she understands enough and Gloryana can translate too...not sure if this would be something the couple would be interested in...I'm sure she would be terrific with a baby and if the other 2 kids are kinda self sufficient, maybe it is ok? Just let me know if you would like me to ask Gloryana about her mom...I can also ask her if she has any friends as well that may need some extra work.

Hope all is well with y'all!

They will only need help during the day. Do you have any suggestions for a babysitter. They have 3 (very well behaved) children. The older two are pretty self sufficient, but the baby needs help. Any suggestions would be appreciated.
