I just wanted to give you an update on Roy and Stephanie. The e-mailed me today:
"We are dropping off our charter today. Boss comes on Monday. We will make time. Just let us know what works."

Please feel free to contact them yourself to set up a phone interview time or let me know and I can help facilitate that for you.

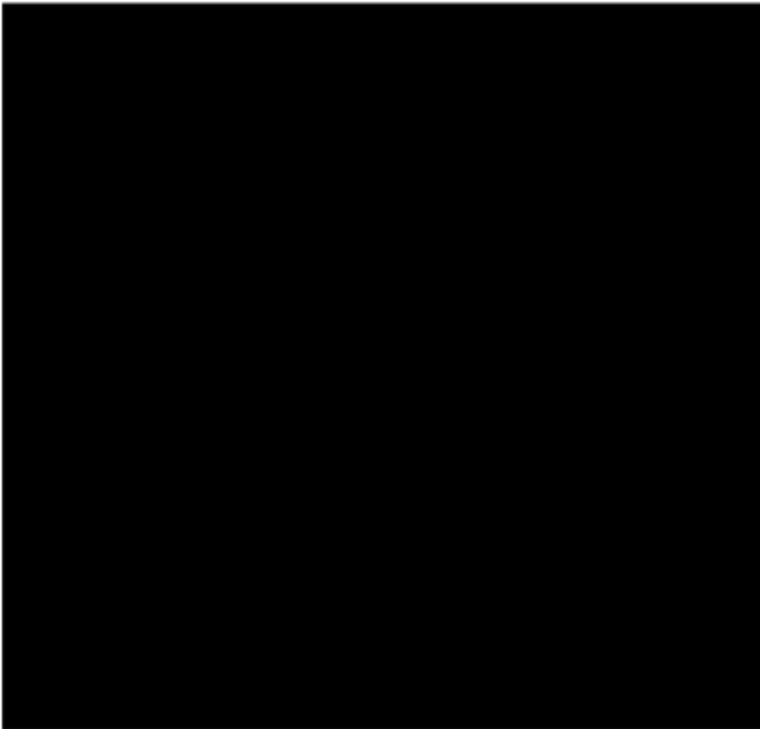

Thank you again and hope to hear from you soon.

Hi!

IO am so sorry they never called yesterday. I only received an e-mail after 5 from the contact that they would not be calling yesterday. Also Steve Hansen (My original contact) has put me in touch with a Leslie Goff who will be the one setting up the interview. I hope she is the assistant, which will make it all happen more efficiently. I Have also found out who the owner is : Jeffrey Epstein . I am sure I am not to give you this information but this way you can see who he is before you interview.

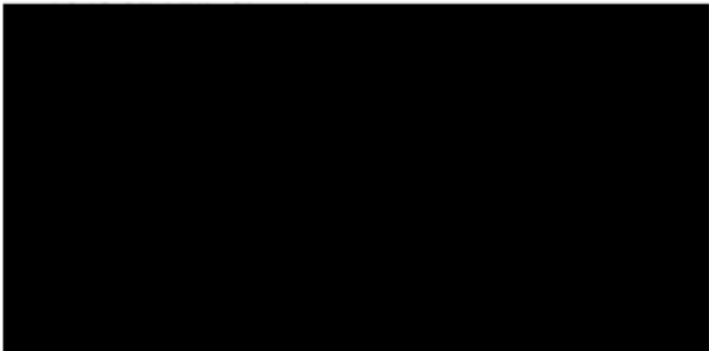

As soon as I have more information on an interview I will let you know. For this week what works best for you?

Kind Regards,

OK here is when an interview will work best for Roy and Stephanie
"Skype address is captroynsteph. We will be in a marina and have a better internet connection after noon on Monday. "

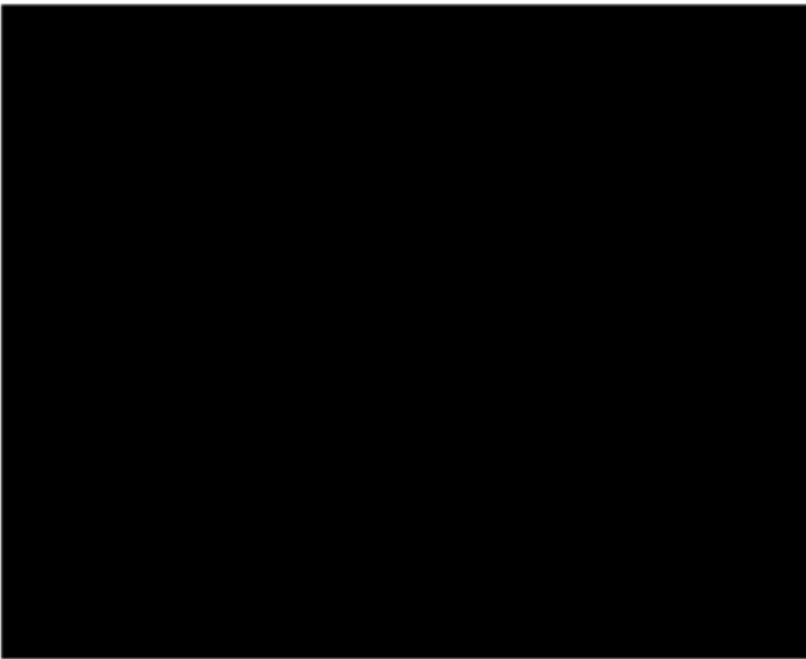

Does this work for the owner? Please let us know a time for Monday.
