it was crazy scary... we are all good and house ok...and amazingly, kept our power (rest of the street did not!)
But where do you live? I thought you were on the west coast?!

I assume you weathered out the storm safely. I finally got my electricity back around 2:30 this a.m. It's amazing how helpless you become without it -- and cold.

Jerry is working on rescheduling his meetings for November 15 and 16. Would you have an available apartment for he and Doug?

Also, do you know if Jeffrey is still planning on being in New York in November?

As always, thanks for you help.

Gi

Ok sounds good. It is crazy here in CT! My town is banning any driving come noon! I have all our flashlights ready..

I may not have access to my computer and cell when it runs out of battery!
But keep in touch on the trip. Thanks, Lesley

Good Morning [REDACTED]

Due to the weather, Jerry has to cancel his New York trip. He is working on rescheduling the meetings, so I will probably be contacting you in the next couple of days to see if you have an apartment available.

I hope you stay safe and dry.

Gi
