Intuit GoPayment

Account #: [REDACTED]

Email Address: [REDACTED]

PLEASE READ CAREFULLY :

Associated fees for this kind of activity
may be applied now.

Next step: Access to confirm your AccesID

This is Access ID lets you:

Review your payment service in the [Payments Center](#)

Process payments

Log In to other Intuit products you may use, like TurboTax, Quicken, and Intuit Payroll

The good news is we found an existing Intuit account for your email address, You can use this ID for your payment service too, or enter a new one.

[Verify Access ID](#)

Get started:

Step 1: If you still did not, download the Intuit GoPayment software.

Step 2: Run the GoPayment software and sign in with the User ID (your email address) and Password you setup.

Easily Manage Your GoPayment System

The Intuit Merchant Center is the website where you can find out about GoPayment features, customize your sales receipt and add GoPayment users. You can also access to transactions, deposits and fees. Visit [this link](#) and enter with your GoPayment UserID (your email address) and Password.

For more information on how to start using GoPayment Merchant by Intuit, including tutorials, FAQs and other resources, visit the Service Center at [this link](#).
