Not sure how that would work... Could do a matinee and early dinner and come home if kids are there. I do not think Ike will do rockettes. Too expensive for something he is not in to. Ike doesn't even go to kids movies with me and Ty anymore cause he usually thinks they are boring. Ty might go to rockettes, but not sure. If Ike doesn't go ty would probably air on not going. I would have to show him some of what it is on the Internet. Ty loved wintuk which was a Xmas cirque de Soleil for kids. Ike and I loved it as well.

It seems to me one parent would have to either go back with kids and not get to participate in dinner whether it be either scenario. We could hire Gloryana to help out some how I suppose.

We can go see the show on the 29th or the 30th. . .??? do a matinee then go out. . . but then we have kids? or go out Sat. night and spend the night and go see the matinee the next day. . . but then how do we get the kids that want to go? (Braden won't want to go, but Cassidy will. . . we have to think about this)
