One last thing I will need brought from NYC.

In the white freezer in downstairs kitchen of 71st street there are packages of frozen hot dogs. JE would like to have hot dogs for lunch tmrw and these are the new dogs he likes. I'll take all the packages we have there should be 2-3 . They are called "Zweigle's Pop Open premium hot dogs" They are frozen so shouldn't be too hard to transport.

Please let me know that someone has found them, if not I'll have to make other plans...

Thank you
Francis

[REDACTED] can you buy the bread? or direct someone to? I let [REDACTED] know she will need to take the 3 loaves along with JE's wallet!

Aside from that I believe we are good here.

[REDACTED] will need to get to Westchester airport on Friday probably by 9am (Jojo, you will need to take her) [REDACTED] will be bringing Jeffrey's wallet and whatever else he may want her to bring. [REDACTED] will then fly in Hanson's private plane to the Hampton's to pick up Steve and off they go to the Ranch. I have nothing more to report on this at the moment. So you all have numbers:
