I highly recommend we take DART and go to the Dallas WORLD Aquarium in the 'West End' in downtown Dallas. The train ride is nice, the aquarium is spectacular and then you're in West End to choose amongst lots of fun restaurants or we could get back on the train and go to Mockingbird Station which is also loaded with fun. We took [REDACTED] kids and they had a great time. It's indoors and COOL which is most important this time of year! Look it up on Google. Love mom

1. For sure ash can get car seat to you guys by Wednesday morning
2. Thank you for picking up me and [REDACTED]! This will be our night, just the 4 of us!
We can go out to dinner. Where can we go that would be fun for all of us? Then could you drop us at Dad's after dinner?
3. Friday [REDACTED] I will go to a bouncy castle/ trampoline place with nancy and cousins. At 2:00 I am meeting up with [REDACTED] and her kids and we are going to Lego Land. [REDACTED] to having us over in the evening would be great. But if not maybe we just go back to dad and [REDACTED] and wait for [REDACTED] arrival (he lands at 8pm)
4. Saturday we are going to [REDACTED] to swim and that evening I think [REDACTED] may have a party with our friends! Y'all could come too [REDACTED] will come as well and [REDACTED] kids will be there too.
5. Sunday day I want To spend with y'all. What can we do that is fun that [REDACTED] will enjoy? I know of adventure landing (mini golf, bumper boats, batting cages, go carts) on Coit. I think [REDACTED] would love that but maybe it's too hot for that? What is there to do with kids thats fun? I agree I don't need to see another rodeo. But we need to come up with something here. Sunday night we are having open house dinner at dad's
5. Monday we leave. I always like our good bye breakfasts maybe we can do? But that means you would have to go to the airport again. Maybe easier for [REDACTED] to take us? Flight departs at 11:35 however which is pretty early to squeeze in a breakfast [REDACTED] starts school the next day so I wanted to get him home and settled (plus the ticket was about \$100 less to fly earlier.
5. May or may not need thunderbird. I like [REDACTED] to be in the backseat really. So will probably borrow dads car

1. You guys will arrange for a car seat to be at Deep Valley by Wednesday AM, before we depart for Ft. Worth with the [REDACTED] That way it will be in the Suburban Thursday afternoon.
2. R&D will be at the airport and pick up the two [REDACTED] on Thursday afternoon.
3. [REDACTED] will resolve and coordinate our act [REDACTED]. I am completely available but as you know we would sometime like to have a few hours with th [REDACTED] without a bunch of other people.

4. The T-Bird does NOT have a back seat. OK with us, but wonder how [REDACTED] will use it? It is great for [REDACTED]
5. [REDACTED] is not interested in the Rodeo. I would take her to the rodeo here in Winter Park but she says she has been to a rodeo.
