Hi guys,

That's sad news and we hate to see them go. Regretfully, we have to say no as we will be away. Thank you for including us.

Best,

Rick & Kim Krug

As we all know, we are soon to lose our very dear friends, Jules and

Paul Ainsworth to the Windy City! In honor of their friendship, we thought it would be nice to throw them a Send Off Party! Jules and Paul requested to have this last shindig at their home (it IS a PERFECT home for a party!) BUT, since this is a party to celebrate them and their friendship, we thought it would be nice to give them a break- and have it catered... on behalf of all us friends! Chef Luis Lopez, of Chef Luis Restaurant, has very generously accepted catering this event at a reasonable price per a couple. I unfortunately do not have the price as of yet, but wanted to get an email out asap so you can hopefully 'Save The Date'...and find a sitter! (Party is to be adults only ☺)

Party is to be held on Saturday, August 11, time to be announced, but probably 7pm, at the Ainsworth's !

Please let me know if you are available quickly so I may get a head count to Chef!

Thanks so very much,

Lesley and Ike Groff
