Hi!

How was your weekend. I thought it was weird not to see you when [REDACTED] and I stopped by for the bathroom (that was such a nice "save"! -- made grocery shopping in your store so much easier!

[REDACTED] and I had a fun shopping day and we went to the Long Ridge Day Camp "meet and greet" which was good. I feel more connected to who they will be with and where after meeting all of them. They will be there for 4 weeks. I stayed at home today until the bus came to retrieve them for their first (soggy) camp day. I wanted to be there for the first bus ride and shake hands with the bus monitor, etc. I had met her on Sat. but it was good to be there.

Dinner with the Gerkens was really fun and the dinner was so awesome I have to say! I prepped everything Friday night, so all that had to be done was the rice & corn (or, well that's all I did. . Pete had to grill the chicken and vogs.)

Then, yesterday we went to the BBQ at about 2:30. . . I had my first wine spritzer at about 3 pm. . . needless to say, prob had too much -- but I feel fine because I was very hydrated.

*I will def. bring the kids for the 4th of July fireworks. . . Pete will prob be out of town in CA (death in the family -- [REDACTED] from)
