ha! completely understand and agree on Sam! I think he will be fine ...we will have it cleaned for real once he leaves...

Rich Kahn just said y'all had a very productive day yesterday...that is great!

No worries on 4M...we do not have anyone that needs it...I was thinking I might stay over if it was available but I think I need to get on home actually.

Also, I'm sure you have seen by now that I have a bag of mine in 10B...I have always left 'essentials' in an apt. so I didn't have to lug everything in if I needed to stay the night. Is it ok to just leave in 10B's closet tucked back so it is not in the way?
