Yae...Big xmas plans for you??
and ha, no Darren did not force
me to pick out your gift or wrap
it! He says he was out with his
wife and purchased it for you
(he got me something as
well...how nice :) Both really
are wrapped nicely-for sure the
store did it! I am just in charge
of shipping it. I need to find a
box that it will fit in however
because it is actually pretty
large! I hope to have a box for
it tomorrow and will fed ex to
your office. And would LOVE
to have a drink when you are in
NY next lemme know :)

of their own!! LOL
Next time I am in NY (which may be soon) we must hook

You can ship to my office here.

Please and thank you. :) :)
