Subject: JE today

Hi Rich. I met with JE this morning!! He said I can get the maintenance done on my car. In the next breath he said remind me to speak to Rich, maybe I just give you the car...so if you could be prepared to speak to him and have the blue book value of the car would be good.

I am hoping that even if JE decides to give me the car, that he would still kindly pay for the maintenance work that needs to be done. The quote I have is \$3312.00. I am happy to get another quote from the Mercedes dealership also if he likes. The quote I have now is from New Canaan Foreign Cars Sales and Service.

I also told him about how my family is no longer on his insurance (and we are saving him about \$20,000 a year...he liked that)

...and on another note, which I am extremely happy about, I asked him if ok when he is out of town if I may work from home some...he barely even let me get the words out before he was saying ok, of course! this is going to truly improve my families life! Can't tell you how happy I am. (I told him I will always be here for him whenever he is in town or needs me here...and he knows that.

see you at 1:30
