Awesome!! tomorrow is going to be a perfect day for the marathon ...and to get in those 7 miles will be so invigorating and helpful for your friend...those are tough miles! We are not coming in tomorrow but I'll probably catch some of the inspirational race on TV...We used to go every year and stay in one of JE's apartments when [REDACTED] was little ..we would just walk over to 1st Ave...lots of fun...
enjoy mile 18-25! and happy to know you hope to run next year ...

I keep thinking of you and How excited I was for you last year at this time! I loved keeping up with you in the marathon app. Do you wish you were running again? Or happy to spectate!? 💎
