Hi Lesley,
Wanted to share with you and Jeffrey the below clip from the local news (one of several) regarding the case we've been working on in Gambia and finally resolved.

Nice mention of the Richardson Center here.

Yes. They did. Thank you Lesley.
The Governor told me the call was good and that Jeffrey will make the support for the Center, but said it will be done later in the calendar year, for tax reasons.
If you can follow up with Jeffrey and let me know if there is anything I should send you (payment info etc.).
Thanks so much Lesley,
Mickey
