Subject: Hi

[REDACTED] was the second kid on bus today? Odd to me as I thought he was first. We will have to ask him. It was the Indian Looking boy. Wonder if it's the one who he offended?

[REDACTED] was super about getting up and out quick. We were outside at 7:29 and he ran to end of street. She arrived 7:33.

Direct TV was still not working.

I'm happy to read ms grahams email. I sent to ms Devine.
