Subject: Second Response is taking part in Give Local in 4 weeks

Dear Jeffrey,

We're excited to announce that in **4 weeks** we will be a part of
**Give
Local**
again this year!

*On April 25-26, the Connecticut Community Foundation will host the 5th annual
Give Local Greater Waterbury & Litchfield Hills,
a 36-hour online giving extravaganza that coincides with Give Local America.*

Every dollar donated will be increased with bonus funds provided by the Connecticut Community Foundation and Give Local sponsors - **making your gift stretch further!** Some of our loyal donors and supporters will also be offering matching donation opportunities - yet another way to **maximize the power of your generosity!**

This is an extraordinary occasion to celebrate the spirit of giving, and raise awareness and needed support for community-based nonprofits like ours.

Visit our website listed below or email us at info@fortunateblessings.org to learn more! Be on the lookout for more information in future emails, as well as on social media.

Thank you for your continued support to serve children and caregivers exposed to trauma and help build resilient communities!

Second Response is an initiative of Fortunate Blessing Foundation.
