Checked pets

You can travel with up to 2 checked pets that are at least 8 weeks old. **Please note that as capacity is limited, we accept checked pets on a first-come basis.** When checking a pet, you'll need to:

- Contact Reservations at least 48 hours prior to travel
- Check in at the ticket counter
- Allow extra check-in time (can't check pets more than 4 hours before your flight)
- Complete a checklist with an agent
- Provide a health certificate

To ensure the health and safety of your pet, the health certificate you provide must be issued by a vet within:

- 10 days of your travel
- 60 days of your return (travel on the same ticket)
- 10 days of your return (travel on a separate ticket)

OK, dogs are small, they do not need to go to cargo, but, 3 dogs - has to be 3 kennels and they have only two seats. If they need to take them in the cabin, we will have to book them 3 seats (and pay for 3 tickets) plus 125.00 USD fee per dog.

Hi Natasha! We will need one way tickets for Michael and Kimberly Ross to fly from JFK to STT on June 4th, direct, coach. They have 3 dogs that need to go with them...I need to find out their weight but I believe all will be considered 'cargo' in crates...? Is it United that does this?
